### **WARRANTY**

Cartridge Right uses only the best quality imaging supplies and guarantees that cartridges refilled by our company will perform as well as the original manufacturers supplies under similar conditions. If you are dissatisfied with results of any of our refilled/remanufactured cartridges, please return the cartridge together with a test print and Cartridge Right will repair the faulty cartridge, credit the full amount against a new cartridge or provide a full refund in exchange for the faulty cartridge.

In the unlikely event of a claim that a cartridge refilled by Cartridge Right caused damage to the printing mechanism of your equipment, please obtain a written statement from the equipment manufacturer stating how the Cartridge Right refilled/remanufactured cartridge was responsible for the said damage. Send this statement and the service invoice to us and Cartridge Right will reimburse the full amount of the repair charge for any such valid claim.

Unless otherwise stated, our terms are strictly net and payment is due 30 days from the date of the invoice.
